EXPERIENCE

Graduate Teaching Assistant | Intro to UI Design

GEORGIA TECH, ATLANTA, GA | JANUARY 2024 - PRESENT

- Conducted weekly studio sessions for undergraduate students, focusing on design thinking and user-centered design techniques.
- Provided constructive feedback to guide students through qualitative research methods, wireframing, and prototyping.

Lead Product Designer | Maternal Health App

GEORGIA TECH, ATLANTA, GA | JANUARY 2024 - PRESENT

- Investigated tech-based mental health support for perinatal Black women through interviews and qualitative analysis.
- Used research insights to develop user-centered low-fidelity mock-ups and functional prototypes.

Designer | Tidy Bot for Slack Accessibility

GEORGIA TECH, ATLANTA, GA | AUGUST 2023 - DECEMBER 2023

- Conducted semi-structured interviews, presented in sketch feedback sessions, led expert interviews data collection, conducted usability tests, and moderated a wireframe feedback session.
- Led the storytelling and creation of our group's final presentation.

Founder - PAACT Littlewood | Alachua Schools

LITTLEWOOD ELEMENTARY, GAINESVILLE, FL | AUGUST 2022 - JUNE 2023

- Mobilized stakeholders -school principal, teachers, and college students- to create a mentorship program benefiting minority students.
- Developed character education curriculum and successfully secured a \$3,000 grant to support the program's initiatives.

Educator | Alachua County Public Schools

LITTLEWOOD ELEMENTARY, GAINESVILLE, FL | AUGUST 2016 - JUNE 2023

- Participated in NSF-funded Multidisciplinary Research Experience for Teachers to pursue professional growth opportunities.
- Led students to exceed growth targets on yearly assessments by 25%.
